# President's Welcome

“FAMILY, FUN and FITNESS”.

On behalf of the Illawong Little Athletics Executive and coaches I extend a very warm welcome to all new and returning families to The Ridge for the 2010/2011 season.

This will be our Centre's 35<sup>th</sup> season and the 7<sup>th</sup> season at The Ridge. We have now got to the point where there are only a handful of you remaining who were registered with us when we used to compete on the shared soccer field at Buckle Reserve. We are always striving to improve our facilities and I am please to report that the shed for the lower field equipment is now installed. This should speed up our set up and pull down time for this area.

Congratulations to our 2010/2011 Club Captains, Brooke Giffen and Pierce Coles-Sinclair, who were elected by their fellow athletes and announced on Presentation Night. They will be introduced to you at our club's official opening and I am sure they will be great role models for our junior athletes and display the same excellent leadership skills of the captains of our previous years.

At Illawong Little Athletics Centre we like to win, but encouraging and helping our athletes to do their best is more important than winning. With up to 20 events running at the same time assistance is required all day at every event to ensure we get through the program in a good time frame. Please move to the events with your child/ren - do not worry about not knowing what to do as there are always other parents and officials around who can show you– give it a go and get involved, after all it is that you are asking your children to do.

A little later in the season Illawong will be, for the first time, hosting the Region Championships here at The Ridge. Lets see if we can make this the best Region Championships ever! We will of course require parental assistance at all championship carnivals throughout the season and we look forward to your assistance.

**Thank you to all the sponsors** who have signed up with Illawong Little Athletics for another season, your assistance is greatly appreciated. Please support our sponsors as they support us.

Best of luck to all our athletes this season.

# Rules for Centre Competition

1. All events will be conducted under the rules of competition of the LAANSW, IAAF Handbook, or Local Rules as they apply.
2. All competitors **MUST** be registered members of the LAANSW or an interstate LAA to compete.
3. Officials and competitors only are permitted on the competition area. On completion of their events, competitors must leave the competition area.
4. **ALL COMPETITORS MUST COMPETE IN APPROVED CLUB UNIFORM WITH REGISTERED NUMBER VISIBLY ATTACHED TO FRONT OF UNIFORM, AND APPROVED SPONSORSHIP MUST BE CLEARLY SHOWN.** As an alternative to royal blue shorts, royal blue bike pants are also permitted.
5. Spiked shoes cannot be worn by athletes competing in Under 6, 7 or 8 age groups.
6. Spiked shoes may be used by the Under 9 and above age groups in all jump events, and only in track events which are contested solely in lanes, ie. Up to and including 400m.
7. **SPIKED SHOES MUST NOT BE WORN OUTSIDE COMPETITION AREA.** Because of the danger involved in wearing spikes outside the competition area, any athlete who breaches this rule will be reported to the Competition Manager. The athlete's name will be recorded and his/her parents notified that a second infringement will result in appropriate action being taken by the Illawong Executive. This will entail loss of competition points or debarring from competition.
8. Maximum length of spikes at all Association conducted carnivals may vary from one athletic venue to another. It is the responsibility of each athlete to ensure his/her spikes do not exceed these limits, otherwise he/she will not be allowed to compete.
9. Starting blocks should be used by all competitors wearing spikes. They may be used at the discretion of each competitor if not wearing spikes
10. Each event will only be called twice. No calls will be made for individual competitors for any event.
11. All competitors must report to the marshalling area before proceeding to an event, unless advised otherwise. Any competitor arriving late at the marshalling area will only be allowed to compete in their event at the discretion of either the Chief Marshal, Track Referee or Chief Field Referee.
12. Where insufficient numbers arrive to compete in an event, age groups may be combined at the discretion of the Competition Manager.
13. In all field events, one practice and three competition throws or jumps only will be allowed for each competitor.
14. All additional rules and regulations will apply as per "NOTES FOR GUIDANCE OF OFFICIALS HANDBOOK" LAANSW, and the IAAF HANDBOOK available from the Centre (at cost).
15. Adjustments and additions to the Centre program may be implemented at the discretion of the Competition Manager.
16. Any protests are to be directed to the appropriate referee or Competition Manager, accompanied by a \$20 fee. If the protest is upheld or considered genuine, the \$20 will be refunded. Money will not be refunded for frivolous protests.
17. In all long and triple jumps, the 0.5 metre x 1.0 metre rectangle take-off will be used for all age groups up to and including Under 12. The 20cm take-off board will be used for Under 13, 14 and 15 age groups.

# Program of Events

A two-day program of events will be conducted for each age group. Detailed below is a preliminary program which will operate from the commencement of the first week of the season, that is, 4 September, 2010. Depending on registration numbers and the availability of parents to help with the conduct of each day's events, this program will continue to operate throughout the season.

However, it may be necessary to change the program if insufficient parental assistance is forthcoming. In fact, it may be necessary to cancel some events - but this is something we don't like doing at Illawong, as it disappoints the children. It is, therefore, in the interests of your children that you help out. Remember, Little A's can only operate with the assistance of parents.

In the event of any change, the program of events will be displayed on the notice board on each day of competition and announcements made throughout the carnival.

**NB: IN ORDER TO FINISH EACH DAY'S COMPETITION WITHIN A REASONABLE TIMEFRAME, ALL EVENTS WILL HAVE FIRST CALL AT 12:45pm TO COMMENCE AT 1.00pm EXACTLY. IT IS YOUR RESPONSIBILITY TO ARRIVE ON TIME.**

## Tiny Tots

(Non-competition events.) A special program of fun events will be conducted on each day of competition for children 3 to 5 years. Tiny Tots must be registered.

## **THOUGHT FOR THE SEASON:**

Remember when "EVERYBODY" said that "SOMEBODY" would do it - "NOBODY" did. So come on, give us a hand - you will enjoy it.

## No Competition Days

Please note, that there will be **no Saturday afternoon competition** on the following dates:-

16/10/09	<b>Friday night competition to be held - 15/10/09</b>
18/12/09	Christmas Break
25/12/09	Christmas Break
01/01/10	Christmas Break
29/01/10	Zone Championships
19/02/10	Region Championships

Any athlete who is interested in additional competition on these "no competition days" would be most welcome to attend Illawong Senior Carnival (Friday nights starting at 6:30pm) or alternatively other local Centres. However, it is suggested that you confer with a member of the Illawong Executive first to ensure that your visit does not inconvenience the host Centre, and to ensure that the host Centre is also conducting competition.

## Wet Weather - Cancellation of Centre Competition

Due to the excellent drainage of The Ridge, a decision as to whether or not competition will be held in the event of wet weather will be made at approx 12:15pm by the Committee at The Ridge. Please ring **9543 9440** after this time to check whether competition is on.

## Centre Records

An updated list of all Centre Records will be placed on the notice board each week along with a list of records broken the previous week. See the Officer for Championships if you have any enquiries regarding records.

## Insurance

Athletes and officials are covered by insurance taken out by the LAANSW. Details of coverage can be obtained from the Centre Executive. However, the Executive of Illawong Little Athletics Centre recommends that parents and guardians should consider taking out their own separate accident insurance to cover expenses not met by the Association's policy.

## Illawong Centre Representative Uniform

Two tone blue singlet (royal blue top half and light blue bottom half) with royal blue trim and royal blue shorts. The age patch must be fixed to the bottom left side of the shorts. The Centre number 70 must be attached to the back of singlet. Individual registration numbers must be attached to the front.

The Centre uniform must be worn at **ALL** Zone, Region and State Carnivals and other Association conducted events.

Two piece running outfit in the Centre's colours of two tone blue may also be worn by our girls.

Please enquire at the information table on where to purchase these items.

## Coaching and Training

We are fortunate at Illawong to have a number of accredited coaches for most of the disciplines in athletics. These people volunteer their time to assist our athletes and we are very grateful for their assistance.

Training times for each coach will be posted on the notice board and website. Coaches will organise the training sessions but may need some parental assistance. Please remember not to "push" your child by over training; at Illawong we are very aware that this is the biggest threat to injury and burn out. Our coaches have had a great deal of success and only have the children's

best interest at heart. Special relay training will be organised for teams selected for State Relays in November. As you can imagine, this will require some assistance from the parents of the athletes selected.

Many of the coaches with Illawong no longer have children of their own at Little Athletics. We are now seeking additional coaches to boost our numbers so we are prepared when our current crop of coaches retire. Coaching courses are run by LAANSW during the season and details are obtainable from the newsletter and the LAANSW website. The Centre is prepared to meet the costs of such courses for people who are willing to assist with training.

Senior athletics is conducted on Friday evenings from 6:00pm and no training is permitted during that time.

## Supervision

It is a requirement of Illawong Little Athletics that at least one parent or guardian of an athlete be present for the duration of centre competition. Tiny tots must be accompanied by a parent or guardian at all times. Athletes will be excluded from events if this rule is not met.

## Centre Officials and Helpers

To run a successful Centre competition, requires the assistance of some 50+ parents. Our Centre has a number of fully qualified officials in both track and field events, many of whom have officiated at Zone, Region and State Championships. However, these officials need the help of parents to conduct each event. You will find it is very enjoyable being amongst the action and your children will be glad to see mum and dad helping too.

We encourage parent to gain official qualifications. From this season D Grade qualifications (centre competition and zone level) can be done on-line. If you are interested please see a member of the centre executive.

## Officials' Exams

All officials are encouraged to sit for Officials' exams in any particular event of their choosing. Whilst these exams are not compulsory, they serve as a valuable means of judging your own performance as an official at Centre level. These exams are purely for the benefit of the official and are aimed at boosting the confidence level of each official. Qualifications at these exams as well as proven practical experience will enable parents to progress as officials at higher levels of competition, for example, Zone, Region and State Championships. Further details can be obtained from our Officer for Officials.

## Centre Meetings

Illawong Little Athletics Centre conducts regular meetings on **the second Wednesday commencing at 7.45pm each month** to plan, organise and implement all facets of athletics and to conduct all business associated with the running of the Centre. They are held in the **Operations Room at The Ridge**. Please consult your newsletters.

All meetings are open to parents and interested persons to enable them to stay in touch with what is happening. Voting on matters relating to the Centre can be done only by members of the Executive and Club Delegates, but all interested persons may speak on matters and put forward their points of view.

Voting at the Annual General Meeting, held in May, can be exercised by all eligible voters as defined in the Constitution.

Notification of both times and venues for each meeting will be announced and also displayed on the Centre notice board.

## Merit Awards

The Illawong Little Athletics Centre has implemented a system of awards to encourage children of all abilities to participate in all events available to them, and to compete in a maximum number of events on each Centre competition day. Trophies for both age champion and personal improvement are presented to the first 3 boys and first 3 girls in each age group on Presentation Day. Special awards will also be presented for outstanding performances during the season, as will trophies for Centre Outstanding Athlete and the athlete with the most Personal Improvements for the Centre. These awards will be decided by the Championship Committee. Centre Encouragement Awards are also available to athletes who do not receive one of the above.

**To qualify for an award a minimum of 50% attendance is required after Christmas.**

*Note: Because of the way awards are determined, athletes who miss competition or do not compete in all events reduce their chances of receiving an award.*

## Age Champion Award

Athletes are graded so that they are competing against other athletes of equal ability. That is, Heat 1 has the fastest qualifying times, etc. Points are awarded on a sliding scale from Heat 1 downward. Regular attendance and participation in all events offered is a significant contributing factor in winning this award. This system will not operate on the first two competition days of the season. On these weekends all athletes who attend will be allocated points for participation in events. However, times and distances will be recorded for records and other awards. You must, however, be a registered athlete on the day of competition to be eligible for points.

Records, times and/or heights are not recorded for the Under 6 and 7 High Jump and Under 6 Cross Country. However, each athlete who competes in these events receives points towards the Age Champion Award.

## Personal Improvement Award

This is perhaps the most important award for the children as they do not need to be a star or super athlete to win. This award is judged solely on the athletes' ability to improve their own previous personal best. Points are awarded for each personal improvement in all events attempted.

## Star Awards

The Star Awards are designed to encourage Athletes to compete and improve their performances in a range of events, rather than specialising in just a few. Also, children learn the value of doing their best rather than winning at all costs.

There are four levels of standard which can be attained throughout the season. YELLOW, GREEN, RED and BLUE are the four colour standards for which similarly coloured Star Awards Certificates will be awarded if the time and distance standards as established by the Illawong Centre are achieved. Different standards have been set for each age group and for both girls and boys within each age group. These levels are listed in the "ILLAWONG STAR RECORD SHEET" which each athlete should receive soon after registration.

All recorded events on Saturday afternoon competition may count towards the Star Awards.

Performances at other Centres' Gala Days, State Relay Championships, Zone, Region, State Championships and other Association conducted events are excluded.

To obtain a Star Award, it will be necessary for each athlete to reach the time or distance levels indicated on the "ILLAWONG STAR RECORD SHEET" for their respective age and gender groupings in the indicated number of events.

Further information will be available at the enquiry table during the season.

*Note: It is the responsibility of athletes or their parents to maintain their Star Award Sheets.*

## **Sports Awards in Local Papers**

For outstanding performances at Centre or Association conducted carnivals, nominations will be accepted for Sports Awards presented by local papers. If you feel that any child warrants nomination for these awards, please submit the nomination together with an article to the members of the Executive within 24 hours of the event. These nominations will then be considered by the Executive for submission to the local papers. The Centre will actively encourage and promote these nominations where warranted.

*Note: Nominations under the auspices of the Illawong Little Athletics Centre must not be submitted directly to the local press without prior approval of the Executive.*

The State Relay Championships will be held at SOPAC, Homebush over two days –

**Saturday, 27 November 2010.**

*This is “Junior’s Day” with events for age groups of 8 to 11.*

**Sunday, 28 November 2010**

*This is “Senior’s Day” with events for age groups of 12 to 17.*

Nominations will be called from all interested children early in the season and teams to represent the Centre will be **selected based on performances at Centre competition.** Any child selected will be expected to attend all relay training sessions - failure to do so could result in loss of place in the team to another athlete. As this is a fun as well as competitive day, the Centre shall endeavour to form as many teams as possible to give all children the chance of attending. Assistance will be required by the parents of competing children to help in organising teams on the day, and training sessions. During past years, the Illawong Centre has been very successful in bringing home many medals, and we hope to continue that success this season.

Teams will be selected for the State Relays by the Championship Committee and their decision will be final. Entry forms will clearly define conditions of entry.

**Closing date for entries to be advised.**

***NB: Under 6 and Under 7 age groups do not compete in this Championship.***

## **Little A's Christmas Breakup – 11 December 2010**

Santa Claus will be coming on this day - a regular feature at Illawong. See if you can guess what he will arrive in this year. Then why not stay behind and socialise with us before the Christmas break. More details later – refer to your newsletters.

## **Trans Tasman Challenge –16 January, 2011**

The Trans Tasman Challenge will be held this year in Sydney at Blacktown Olympic Park. This is an annual challenge between Little Athletes from NSW and Little Athletes from New Zealand. Each alternate year the challenge is held in Auckland New Zealand. Only children in the Under 11 and Under 12 age groups compete.

## **State Multi-Event – Saturday 5th and Sunday 6th March, 2011**

This season the State Multi-Event will be held at **Jubilee Park, Wagga Wagga**.

It is open to all athletes in the Under 7 to Under 15 age groups and will consist of various track and field events for each age group in which each athlete will compete.

Medals will be awarded to the first 3 places in each age group, with all other competitors receiving a certificate.

**Closing date for entries to be advised.**

## **Zone, Region and State Championships- 2011**

Application forms to represent the Illawong Centre at the Southern Metropolitan **Zone Championships** will be available early in the season. These Championships **will be held at Sylvania Waters Athletics Track on 29<sup>th</sup> & 30<sup>th</sup> January 2011**. All age groups except Under 6 may compete at the Zone Championships. A maximum of 4 events per athlete may be nominated and only 4 athletes per event per age group can compete from each Centre in this Zone (except for the Under 13s, 14s, 15s and 17s where an unlimited number of athletes may nominate for all events from each Centre).

There are 6 Centres in our zone and they are Illawong, St George, Sutherland, Port Hacking, Helensburgh and Revesby Workers. Children who request to be in the Zone team will be selected based on their performances during the season. Under 7 children do not proceed beyond this level of competition, and medals will be awarded to the Under 7 age group.

**ENTRIES CLOSE FOR ZONE ON SATURDAY, 20 November 2010**

**After entries close the Zone team will be selected and placed on the notice board. It is the responsibility of parents to check the zone team selection to ensure that they are aware of what events their children are in and to identify any selection errors.**

**Parents of athletes competing at association carnivals are also required to undertake duties at the association carnivals.**

From the Zone Carnival, qualifiers will progress to the **Southern Metropolitan Region Championships**. These will be held at **The Ridge Athletics Track on Saturday, 19<sup>th</sup> and Sunday, 20<sup>th</sup> February 2011**. Under 8 children do not compete beyond this level of competition. Medals will be awarded for first three placegetters in all age groups.

From the Region Carnival, qualifying athletes in each final shall progress to the **State Championships to be held on Friday 18<sup>th</sup>, Saturday 19<sup>th</sup> and Sunday, 20<sup>th</sup> March 2011 at Sydney Olympic Park Athletics Centre (SOPAC)**. Under 9 age group and above only compete at this level of competition.

**Please refer to your newsletters for more details and reminders of close of entry dates for all events and carnivals.**

## Teams Pentathlon and Club Relay Day - Saturday 12th March, 2011

The Teams Pentathlon is held each year and is our last official Centre competition day for the season. Children are seeded into teams and then the teams are handicapped so each team has an equal chance. They compete over a range of events and score points according to performance. There may be composite teams of both boys and girls depending on entries and past performances. Gold, silver and bronze medals are awarded to each member of the teams depending on the team's placing (in other words, all children receive a medal).

At the end of the pentathlon competition, junior and senior boys and girls and parents relay teams will compete just for the fun of it.

**At the end of Competition please you are invited to stay on for our end of year BBQ which is also be a farewell to our U15 Boys and Girls.**

**For your results to count towards your teams point score on the day you must register by the deadline. Those that only enter on the day may still participate but their points/positions to not count towards the teams effort.**

**Entries close for Teams Day on Saturday 5 February 2011.**

Pentathlon teams will be announced on the day.

## Weekly Results

Once again this year we will endeavour to place each week's preliminary results on the Internet. This will enable those with access to be able to look at provisional times and placings mid week following the competition. Note that the results can not be finalised until checked by the age recorders. All Centre records will also be listed. Point your browser to the following address and follow the links.
